

meißelförmig 1,6 mm

Ø 18,3 mm

A top-down view of the black plastic base, showing a central circular opening with a square hole and four radial slots. A dimension line indicates the outer diameter is Ø 18,3 mm.

Ø 5,3 mm

A close-up view of the central hole in the base, showing the square hole and the surrounding plastic structure. A dimension line indicates the diameter of the hole is Ø 5,3 mm.

Ø 7,7 mm

A close-up view of the outer edge of the base, showing the radial slots. A dimension line indicates the diameter of the base is Ø 7,7 mm.

8 mm

A dimension line indicating the length of the drill bit is 8 mm.

25,9 mm

A dimension line indicating the total height of the assembly is 25,9 mm.

45,5 mm

A dimension line indicating the height of the base is 45,5 mm.

11,6 mm

A dimension line indicating the diameter of the base is 11,6 mm.
